THE WORST BLOODY MARY EVER

- 14 -

If you look on the shelves behind our bar you will see some big jars of Bloody Mary Spice Mix which we leave to macerate for three months with garlic, rosemary, olives, chilli and loads of other bits n bobs.

One guy said it was **“the worst Bloody Mary he’d ever had in his entire life”** (so bad he upped and left, refusing to stay and have brunch) so would love to know what you think! ;) ;)
