THE WORLD'S WORST BLOODY MARY

If you look on the shelves behind our bar you will see some big jars of Bloody Mary Spice Mix.

In here we macerate rosemary, garlic, olives, chilli, cucumber, celery & cherry tomatoes (and some other secret bits) with Worcestershire Sauce for over 3 months to give it a seriously deep, intense flavour.

One guy said it was **"the worst Bloody Mary he'd ever had in his entire life"** (so bad he upped and left, refusing to stay and have brunch) so would love to know what you think! ;) ;)
